Published March 2026

About the Workbook

There are three sections of this workbook, each one equips priests and key parish leaders with essential data about:

- 1) The Archdiocese of Detroit
- 2) Your planning area
- 3) Your parish

This workbook serves as a planning resource to support thoughtful reflection on the current strengths and future opportunities for ministry and evangelization within each planning area.

Prayer for Archdiocesan Restructuring

Come, Holy Spirit.

Make your presence known as we restructure the parishes
and ministries of our archdiocese.

Be our light on the path we walk together.
Help us hear your voice in the quiet of our own hearts,
in the wisdom of others and in the world around us.

We know you are with us in every step of the process.
Give us clarity, understanding, and direction.
In all things, help us share the light of your love. Amen.

Ste. Anne, pray for us.

Blessed Solanus Casey, pray for us.

Mary, Mother of the Church, pray for us.

Why Archdiocesan Restructuring?

Many parishes were built or grew in a time when Christian values and assumptions were the norm. Faith was inherited and the Church held cultural influence.

There is no doubt that the culture around us, both in the United States and locally in the Archdiocese of Detroit, has changed. The mission, however, has not; it has always been to “go and make disciples” (Matthew 28:19)

Why Archdiocesan Restructuring?

I dream of a “missionary option”, that is, a missionary impulse capable of transforming everything, so that the Church’s customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today’s world rather than for her self-perseveration.

Evangelii Gaudium, 27

Why Archdiocesan Restructuring?

The renewal of structures demanded by pastoral conversion can only be understood in this light, as part of an effort to make them more mission-oriented, to make ordinary pastoral activity on every level more inclusive and open, to inspire in pastoral workers a constant desire to go forth and in this way to elicit a positive response from all those whom Jesus summons to friendship with himself.

Evangelii Gaudium, 27

Archdiocesan Restructuring Process

Why?

As we move forward on mission, we must first address the challenges of our changing culture, which include demographic and financial shifts, a decline in the practice of the faith, and fewer priests serving our archdiocese. These challenges have resulted in limited resources to serve, sustain, and grow the Church in Detroit.

How?

The Archdiocesan Restructuring process will examine the existing Families of Parishes structure, as well as the structure of the Curia, to discern how we can be structured and how our resources can be best aligned “for the evangelization of today’s world rather than for [our] self-preservation” (Evangelii Gaudium, 27).

Archdiocesan Restructuring Challenges

Our Goal for Restructuring

Develop a new pastorate model authored by the Holy Spirit that establishes a vibrant Catholic presence in every area of the Archdiocese of Detroit.

Vibrant Parishes

Gospel renewal in our parishes and other ministry efforts

Flourishing Priests

Priests flourishing in their ministry to parishes and the greater community

Mission Ready

Secure a vibrant future for the Church of Detroit

Section One

The Archdiocese of Detroit

About our Archdiocese

- The Archdiocese of Detroit is comprised of 209 parishes encompassing the City of Detroit and six surrounding counties – a large and diverse territory: urban, suburban and rural.
- Our local church has been declining for several decades as older Catholics move or die and there are insufficient number of young Catholics to take their place.
- This is best exemplified by the significant decline in the number of births and baptisms in our diocese.
- As our Catholic population has moved from the city to the near suburbs and from the near suburbs to the farther out suburbs, this has resulted in too few priests in large parishes and too many priests in small parishes.
- Our diocesan priests are aging and the number of priests to serve our Catholic population is declining.
- Over the past decade, Mass attendance has been on a steady decline. Despite a rebound from 2020 to 2024, Mass attendance remains 14.7% below pre-COVID levels.
- The current average rate of Mass attendance decline each year across the Archdiocese is 4%.

As Greater Detroit Population Grows, Regular Mass Attendance Continues to Decline

- Mass attendance has declined by nearly 92,000 people since 2011, dropping from 231,076 to 139,088 by 2024 – a 40% decrease in just 13 years.
- The decline is persistent across every period, not a one-time drop:
 - 2011 -> 2015: down 31,718 (-13.7%)
 - 2015 -> 2019: down 36,278 (-18.2%)
 - 2019 -> 2024: down 23,993 (-14.7%)
- On average, Mass attendance has fallen by about 4% per year, meaning roughly 1 in every 25 regular attendees is lost annually if the trend continues.
- At the current rate of decline, one-third of today's Mass-attending Catholics will no longer be attending within the next decade.
- In 2024, only 29% of pews were occupied across the Archdiocese of Detroit.

Our Church is Growing Older, Not Younger

- Infant baptisms have declined the most dramatically—by roughly 60-70% from peak to present, showing a sharp and sustained drop after an early high point and signaling a major contraction in new families entering the Church sacramentally.
- Marriages have fallen by approximately 40-50% over the period shown, with a brief early increase followed by a steady, long-term decline, ending at their lowest level in the most recent year.
- Funerals have remained comparatively stable, fluctuating within roughly a 10-20% range, before tapering downward—indicating that overall sacramental life is increasingly weighted toward later stages of life rather than beginnings.

Funerals Now Exceed All Other Sacraments

- Funerals now exceed every other sacrament at roughly 6,000 annually, surpassing baptisms, marriages, and confirmations individually.
- Baptisms and marriages remain at or below 5,000 per year, reinforcing earlier trends showing fewer people entering and forming within the Church.
- Sacramental life is increasingly concentrated at end-of-life, reflecting an aging Catholic population and a shrinking pipeline of new participants.

Today, 138 Parishes of 209 Have Under 600 Regular Mass Attendees

Projected Priest Supply Will Not Meet Demand

- Priests may retire from parish ministry at age 70 and must take senior status after age 80, which significantly reduces the future pool of available priests.
- The number of diocesan priests is projected to decline by roughly 25-30% over the next decade, while the diocese must continue to serve 209 parishes.
- As priests reach retirement age (70), projected supply falls below the total number of parishes, eliminating the feasibility of one priest per parish.
- The projected shortfall is equivalent to dozens of parish assignments, before accounting for parishes that require 2-3 priests.

Heavy Financial Burdens Limit Parish Freedom for Ministry and Evangelization

- With 4 in 10 parishes operating at a deficit, a growing share of parish leadership time and resources is focused on covering shortfalls rather than advancing pastoral mission.
- More than \$18 million in parish debt and \$94 million in unfunded maintenance are tying parish finances to buildings and past decisions instead of present evangelization and ministry.
- Financial strain increasingly directs parish energy toward sustaining facilities, limiting the capacity to invest in people, formation, and outreach central to the Church's mission.

Planning Area 11

Planning Area 11

About Our Planning Area

Section Three

St. Basil the Great Parish

Eastpointe

Parish History

St. Basil the Great Parish was founded in 1952 to serve the Catholic community in Eastpointe. Though its school closed in 1972, the parish has remained a vibrant center of worship and spiritual growth. Rooted in the power of the Holy Spirit and the grace of the sacraments—especially the Holy Eucharist and Confession—St. Basil continues to proclaim Jesus’ message of repentance, love, and salvation. The parish community is guided by a deep desire to grow in holiness and follow Christ, inspired by the prayers and example of its patron, St. Basil the Great.

The mission of St. Basil the Great Parish is centered on the salvation of souls through the life and teachings of the Holy Roman Catholic Church. With trust and faith as its core charisms, the parish offers numerous opportunities for spiritual enrichment and discipleship. Programs include Catechesis of the Good Shepherd, Life in the Spirit Seminars, OCIA, adult faith formation, contemplative rosary groups, and Marian consecration. Parishioners grow through ChristLife, retreats, parish missions, and Sunday faith-based film gatherings. The parish has a great devotion to the Holy Souls in Purgatory, witnessed through an active St. Basil Confraternity for Holy Souls chapter, which was the first one to be established in the Archdiocese of Detroit. The chapter has even been utilized by the Archdiocese as a model to help other chapters begin. The parish also witnesses love and mercy through frequent confessions, reverent liturgies, pro-life prayer efforts, and outreach via St. Vincent de Paul.

Catholic Education Investment

Parish Subsidy for Catholic School

Parish subsidies fill the gap between tuition and school operating expenses for parishes with a school.

Parish Tuition Scholarships

Parish Tuition Scholarships are parish funds used to help cover tuition costs for students attending Catholic Schools outside of the parish.

Savings & Investments

Keys for Sustainability

Cash and Savings (Unrestricted)

● Checking ● Savings

An increase of cash and savings usually means the parish is doing well financially. It also means they are better prepared to handle surprise costs or tough times.

If cash and savings goes down, it may mean a parish is spending more, or collecting less. Having less cash can make it harder to deal with unexpected expenses. Sometimes, this drop is planned—like using savings for big projects or repairs.

Savings & Investments Keys for Sustainability

Savings & Endowments (Restricted)

● Endowments ● Donor Restricted Trust

Note: AOD Endowments are limited to a 5.25% annual distribution

Debts and Liabilities

● Bills Due ● Payable Loans ● Other Liabilities

Debt going up, may mean a parish is having trouble with money or not bringing in enough cash. More debt also means more risk, especially if income isn't growing.

If debt is going down, that's usually a good sign. It means the parish is paying off what it owes and becoming more financially stable. It could also mean they're spending wisely and managing money better.

Assets and Liabilities

Relationship of Assets and Liabilities

● Unrestricted Cash/Savings ● Debt/Liabilities

The relationship between your Assets and Liabilities shows your net equity (net surplus/deficit) over time.

A higher **yellow** line (Unrestricted Cash/Savings) shows your parish holds more cash than you owe out.

A higher **red** line (liabilities) shows you owe more out than your parish holds in cash.

Note: Cash does not include any funds due, but not yet paid (e.g. Tuition Receivable)

Contextual Comments

Adult Evangelization: There are currently 8 adults in OCIA this year for St. Basil.

Confessions: From when Fr. Eric arrived at St. Basil in November 2017 to November 2018, roughly 500 confessions total had been heard in that one year. Now, from January 2025 through November 4th, 2025, 1,804 confessions have been heard. With the average number of confessions being 180 per month since January 2025, that means, by the end of the year, there will be about 2,164 confessions heard here. This is an increase from approximately 500 a year to 2,164 per year; more than 4 times the number of confessions heard from Nov. 2017 to Nov. 2018, AND there are only half of the amount of registered families here than there was in 2018. This sacramental statistic gives a more comprehensive picture of the spiritual growth of the parish.

Finance (Capital and Savings & Investments) - There is a capital campaign finishing up this coming summer. The campaign is a 3-year campaign and a total of \$538,163.58 has been pledged with about \$481,977.58 cash received. The entire roof of the school building was replaced. Also, instead of receiving a loan from the Archdiocese, we were given permission to pay the remaining amount of what we owed (since not all pledge payments are in yet) on the roof replacement with some of our savings. As a result, our savings is lower than what is shown here. However, the amount is being replenished as campaign pledge payments continue to come in, which will increase our savings once again.

Sacraments of Life Trend - Although there was one wedding that took place in the church here in 2023, there was a second wedding that same year for two registered parishioners; it was celebrated by Fr. Eric at St. John's Center in Plymouth. There were 2 weddings that took place in 2025.
